Clarifications

As per clarification sought by DVV NAAC. We have reviewed policy documents of the institution, geo-tagged photographs and videos of facilities, Green audit / Environment audit and Clean and green campus initiatives under the metric 7.1.3 Policy documents on environment and energy consumption, green audits, reports involving an external expert from accredited bodies and government-recognised bodies. The information provided is true to the best of my knowledge.

Green Campus Policy

GREEN CAMPUS POLICY

Kailas Shikshan Mandal's Arts and Commerce College should demonstrate higher sensitivity and responsibility in implementing green concepts in the campus. The campus sustainability initiatives are established with the aim of promoting green practices in and beyond the institution and developing best practices strategies in environmental management. Although establishment and maintenance of green campus is important, spreading awareness on the green practices among students and educating stakeholders is our priority.

The policy starts with information and ends with a plan of action. In turn, SIET will fairly manage water resources, waste management, conserve natural resources, and provide eco- friendly and recommend minimal paper use. Institute will implement following practices towards establishment and maintenance of green campus and adopt the awareness and green initiatives beyond the campus too. This will result in a safe environment that is a better place to live, learn and play.

Waste Management

Spread the awareness amongst society about the waste management for the ecosystem and methods for its disposal.

Green Building

Cleanliness in and around the campus and waste minimization

Tobacco Free campus

According to institute policy and rules the use of tobacco products is treated as an offence.

Green initiatives beyond the campus

The Green Campus Programs beyond the campus should be encouraged and planned. Strong commitment and support from the Management will always be there to the Arts and commerce college rahu for contribution to embedding sustainability in the campus and beyond the campus. The student-led Green Campus programs to be initiated by NSS volunteers under the NSS College Program Officer.

Arts and commerce college rahu has to work out the time bound strategies to implement **green campus** initiatives for healthy ecosystems.
